League of Women Voters® of the La Grange Area to sponsor a meeting “Complete Count 2020 Census: How Can We Do This?”

Public program presented by the League of Women Voters® of the La Grange Area

The League of Women Voters® of the La Grange Area will sponsor a meeting for the “Complete Count 2020 Census: How Can We Do This?” on April 11, 2019.

Illinois may be affected in two ways if we do not get the complete and accurate count in the next census. One negative effect is that Illinois may lose up to two representative seats in Congress, thus redrawing and making districts larger, which will make it harder for the remaining representatives to advocate for their constituents. Another negative effect is reduced federal funding for Illinois communities.

Learn the history of the census and what we can do to help get the complete and accurate count in the upcoming census. There will be a 30-minute presentation followed by a 30-minute question and answer period.

The meeting will be held on Thursday, April 11, 2019, at 7:00 to 8:00 p.m. at:

La Grange Public Library
10 West Cossitt Avenue
La Grange, Illinois 60525

This event is free and open to the public. For more information, email us at league@lagrangearealwv.org. Visit our website at www.lagrangearealwv.org.
